

## COMMUNICARE HEALTH FOUNDATION GALA

# BURTON'S BALL

Dear Friend of CommuniCare:

We are proud to share that CommuniCare is thrilled to be celebrating 51 years of service to the community. CommuniCare is a 501(c)(3) non-profit community health center and provides adult care, pediatrics, women's health, dental, behavioral health, plus many other specialty services to thousands of uninsured and underinsured Bexar, Hays, and Kendall county residents.

To recognize our history of accomplishments the CommuniCare Health Foundation is proud to host the Annual Fundraising Gala on Thursday, October 12th from 6:00pm - 11:00pm at the Witte Museum's Mays Family Center. As a valued member of our community, we ask that you consider joining us for an evening as we celebrate the whimsical spooky art inspired by Tim Burton at our "Burton's Ball" Gala event by purchasing a table or by providing an in-kind donation.

**Enclosed you will find a summary of Sponsorship Benefits, detailing the different levels of sponsorship available for your consideration.**

All donations are tax deductible and proceeds from our event will go toward the expansion initiatives for our many programs we provide in the communities that we serve. These programs enhance the health and wellness of over 46,000 adults and the 53,000 children we provide services to with more than 397,500 encounters each year.

If you have any questions about our request and/or the enclosed materials, please contact Marisol Cortez at [mcortez@communicaresa.org](mailto:mcortez@communicaresa.org) or at (210)233-7080. You are also welcome to visit our website [www.communicaresa.org](http://www.communicaresa.org) to learn more about our organization and our mission.

If you are unable to provide a sponsorship, individual tickets are also available. We appreciate your consideration of our request, and we look forward to seeing you October 12th as we celebrate our 51 years of accomplishments and look toward our bright and promising future.

The CommuniCare Health Foundation advances health care access to working families in the communities CommuniCare serves. Nearly 65% of the health center's budget comes from private sources such as individuals, corporations, foundations, and other organizations. Community support in any amount is critical to our success, and is essential in the continuum of quality care to our community members who need it most.
